

What is the **Long Term Home Health Care Program?**

The LONG TERM HOME HEALTH CARE PROGRAM or “nursing home without walls” provides a variety of services to individuals with a chronic illness or disability. The program services persons of all ages.

LONG TERM HOME HEALTH CARE PROGRAM clients may receive:

- Bi-weekly visits by our Registered Nurses
- Physical, Speech, Occupational Therapy
- Respiratory Therapy
- Nutritional Counseling
- Personal Care Aide
- 24 hour personal emergency system

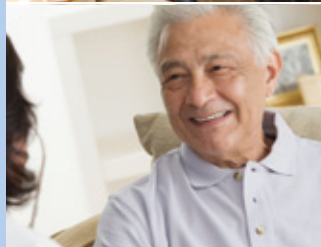

A Tradition of Caring

Lutheran Augustana Center’s long term home health care program is a vital component of the Lutheran Augustana Center’s health care network. The long term home health care program will ensure that the community it serves will receive high quality, patient-centered health care services in the home. Care will be delivered with compassion and sensitivity towards the uniqueness of all individuals and cultures.

Lutheran Augustana Center Long Term Home Health Care Program
